version 1.1 (03.03.2025)

To all World Archery Member Associations

Dear President,

On behalf of the Spanish Archery Federation, we are pleased to invite you to the stage four of the Hyundai Archery World Cup, in Madrid, the heart of Spain.

We are proud to host one of the most relevant events in World Archery calendar, with the only purpose of bringing unforgettable memories, not only to all participants, but also to our community.

Archery in Spain has grown enormously in the last ten years. It's not just about number of archers, coaches or judges, it's not just about medals and trophies... We are fully committed to provide all participants, in any of the archery events we've been running in Spain, the best experience.

We proved our skills in 2019, hosting a beautiful World Archery Youth Championship, and now we want Madrid to shine again, helping World Archery in the upcoming years to take the Hyundai Archery World Cup circuit to the next level.

Madrid is one of the most vibrant capitals in Europe, full of diversity, having evolved over centuries into a melting pot of cultures that is reflected in its streets, markets, bars, restaurants and festivities. Madrid is a friendly and comfortable city, which invites the visitors to have fun, enjoying its culture, gastronomic delight, sports, and activities that will for sure create everlasting memories.

Madrid is a 10, and we want you all to experience it. We will bring archery to the heart of the city, and we need you to be the blood running through its veins.

We want Madrid to breathe and feel archery, and we will make it TOGETHER.

As the local organizing committee president, representing a brave and passionate team, we are all looking forward to welcoming you in Madrid next July.

¡BIENVENIDOS!

Vicente Martínez Orga

Spanish Archery Federation president

EMERGENCY SERVICES AND HEALTHCARE

Each participant is responsible for ensuring they have the correct travel and medical insurance before they arrive at the event.

The Spanish National Health System comprises a widespread network of hospitals and healthcare centres that spans across the country. **Healthcare centres** provide primary care, while specialist service is available in **hospitals**, to which patients must be referred by a doctor. In addition, hospitals and some healthcare centres have an **emergency service**.

- [List of healthcare centres in the Region of Madrid](#)

If you're an EU citizen, you and your family are eligible for medical care, so that you don't have to return to your country of origin for treatment. However, you should get the [European Health Insurance Card \(EHIC\)](#) in your country, or any equivalent document proving that you have medical insurance in a member state, since this will entitle you to prompt medical care wherever you are.

If you don't have this card (or an equivalent document), you'll still get immediate medical assistance, though you may be fully charged for it. You may claim a refund from your health insurance company, according to the medical costs applicable in the country where you received treatment.

Medicines

Medicines in Spain must be bought at pharmacies, which you'll easily spot by their green cross. Regardless of the time and the area where you are, you'll always find one on duty, open round the clock. Antibiotics are sold on prescription only.

Emergencies

In case of emergency (ambulance, fire and rescue, police), call 112, a toll-free number that works 24/7 across the EU, Spain included. The 112 call centre immediately identifies the caller's location. It has interpreting services covering as many as 80 languages.

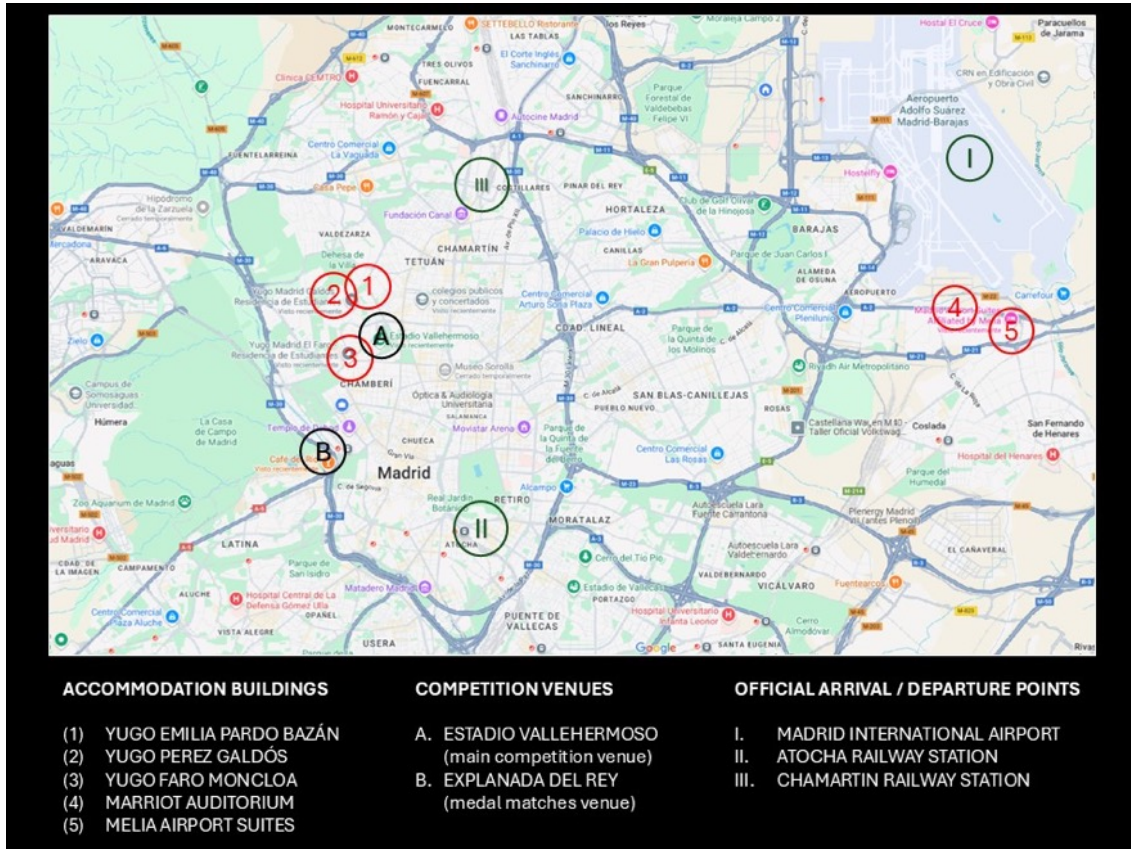

There are many hospitals quite close to the competition fields.

INTERNET

Free internet will be provided in all official accommodation buildings.
WiFi network will be available to allow access to results in Vallehermoso stadium.

CITY OF MADRID

MADRID 2025 AWC MAP

MADRID, WHERE THE HEART BEATS STRONGER

Madrid is a vibrant city, full of life, where hospitality welcomes the visitors from the very first moment they look at the sky. We can wander along its streets, among its buildings and squares, but the most amazing thing is not on the ground, it's in the air!!

You will fall in love with its clear sunrises and in its red sunsets. Anyone who ever experienced the twilight from the Debod's Temple, will never look at the horizon the same way again.

We want all the participants to enjoy a full experience, not only meeting their sporting expectations, but also enjoying Madrid's gastronomy, art and culture. Madrid provides the Hyundai Archery World Cup circuit the chance to dive into a city plenty of choices. Madrid touristic offer is huge and diverse, and everyone will find their own way to enjoy it.

Madrid is plenty of art! You can find it in every corner and in every wall of its picturesque neighbourhoods. Madrid downtown beautiful buildings and monuments whisper the visitors about their centuries of rich history.

If you love paintings, **El Prado Museum** is certainly one of the most impressive galleries in the World. If you are more into modern art, you should visit **Reina Sofía Museum**, exhibiting iconic paintings such as “*El Guernica*” (Picasso), together with master pieces of great artists like Dalí or Miró.

Close to those two very famous museums, the **Thyssen-Bornemisza Museum** will guide the visitor through the history of western art since the 13th century, exhibiting paintings of Van Eyck, Rembrandt, Monet, Degas, Van Gogh, Gauguin...

Good live music is one of the most iconic features in Madrid, with hundreds of music bars scheduling concerts 365 days a year, big arenas bringing the most popular national and international bands to Madrid and massive music festivals when the good weather arrives. One of the biggest in the World, **MadCool music festival** will be happening in Madrid while the Hyundai AWC is taking place (July 10th to 13th), with Alanis Morissette, Kaiser Chiefs, Iggy Pop and Kings of Lion, among many others, on the line up. **Noches del Botánico** music festival is an excellent option to enjoy great concerts in a wonderful venue, quite close to the AWC main competition field.

Besides, musical theatre in Madrid is one the most recognized worldwide, turning to be the third destination in the world, with more than three million tickets sold per year, behind New York and London.

The gastronomy of Madrid is something that you cannot miss neither. It is very typical to have “Cocido Madrileño” and “Tapas” in any of the traditional bars, where a stop is required in order to restock on energy and keep on touring the city. Madrid is able to satisfy any demand. It has more than 10,000 restaurants, 40,000 bars and 3,000 cafes. A wide range of establishments represent the best of the Madrid’s cuisine, as well as national and international cuisine due to the strategic positioning of Madrid.

According to the most prestigious gastronomic guides, Madrid has the highest recognized quality. This fact makes Madrid the most important city in Europe when it comes to gastronomy and cuisine.

There are many Michelin-starred restaurants, the highest award in this sector, thanks to chefs like David Muñoz (Diverxo), Sergi Arola, Mario Sandoval, Diego Guerrero, Óscar Velasco, Ricardo Sanz, Ramón Freixa, Paco Roncero and Juan Antonio Medina. All of them are international benchmarks of the Spanish creative cuisine, which have made Madrid and our region their refuge.

But if you prefer tradition, you must visit our centenary restaurants, such as the Taberna Malacatín, Casa Ciriaco, La Bola, Botín, Casa Labra, el Café Gijón or Lhardy. There, history and culture of Madrid come together with the pleasure of a great dish, the best way to finish a night in Madrid.

As a curious fact, Madrid hosts the oldest restaurant in the World: Casa Botín.

Parks and gardens are also very well known in Madrid. Casa de Campo, El Retiro Park and Madrid Río are the most iconic ones, but almost every neighborhood in the city has its own park, square or community garden in which to go for a walk or do a bit of exercise.

Without leaving the region of Madrid, the towns and regions of the **Sierra de Madrid** are an ideal rural destination with unique landscapes. If you like nature and relaxation, popular architecture and traditional gastronomy, if you love nature and being outdoors, or if you simply want to cool down the hot temperatures of the city in July, you can find countless possibilities for all kinds of activities and sports in less than a 45 minutes drive.

Night life in Madrid is also very unique, as the city seems to be awake all night long, Madrid boasts an unparalleled nightlife scene.
