Juniors: 70m Round. 72 arrows. 122cm target*.

*can be double result of certain distance from the FITA Round at national or international tournament.

Bows:

Recurve.

Results summary:

Club coaches present results for the last month on the 1st day of month. e-mail: acme@archery.lt.

One result should be from the club or national or international competition, another one – from the national or international competition.

Results will be published in three days at www.archery.lt.

Trimester results: sum of the two best results during the period of three months, but only one of them can be from club results.

Season results: sum of two trimesters results, i.e. total for the six months.

Awards:

In July: one best archer of the each group will be awarded with **acme** gifts by the results for the first trimester.

In October: three best archers of the each group will be awarded with **acme** gifts by the results for the season.

Good luck! ☺
